ESIRAI CAMP

Esirai Camp is light and mobile enough to reach the best and most secluded wildlife locations. The migratory journey is one of nature's greatest shows on earth, providing us with a never-ending movement of herbivores continually seeking greener pastures. As the herds move along their ancient route across the Serengeti, Esirai follows closely behind.

Quick Facts

Rooms

Total of 8 mobile tents. 2 tents are interconnecting. En-suite bathrooms with hot bucket showers and long-drop toilets. Tents lit by solar power. Separate mess and library tents. Adult double/twin and children triple available.
