TRAVEL INSURANCE

On confirmation of a booking, the onus is on the guests to take out comprehensive travel insurance. The insurance should cover, but not be limited to, cancellation, personal accident, liability, medical expenses, repatriation, and loss or damage to baggage and sports equipment. Entara will not be liable if guests fail to secure adequate travel insurance.

INSURANCE / LIABILITY

Whilst every care is taken for the safety and comfort of its guests, Entara accepts no liability for all or any of the following:

- Damage or loss of property of any guest, however caused.
- Sickness, infection, injury or death of any guest, however caused.
- Change of arrival or departure dates due to road or weather conditions.
- Damages, directly or indirectly, arising out of delays in departure or arrival including delays occasioned by the missing of road, rail, ship or aircraft connections.
- Medical bills or medical evacuation.
- Entara retains the right to sign guests on indemnity waivers in the lodges, prior to participating in

game viewing, ballooning, walking, camping and adventure activities, even if those have been bought and paid for in advance. Refusal to sign such indemnity waivers shall prevent guests from joining the respective activities. This shall not in turn entitle them to any refunds against pre-paid activities due to non-participation. It is solely the responsibility of the booking agent to inform the guests of the need to sign indemnity waivers prior to departure on the activity. It is therefore expected, on receiving a guest's booking, that necessary insurance covers against these and other risks have been taken care of by the guest and/or their agent.

DISPUTES

- Any complaints or disagreements about reservations, accommodation, food & beverage or any issues relative to the camp/lodge must be reported on site and recorded accordingly. Failure to do so, Entara will not be held responsible in any way.
- Following, any dissatisfaction resulting with the handling and resolving of the complaint on site must be received from the camp/lodge in writing within 7 days after the client's departure.
- Failure to do so will result in the camp/lodge taking no responsibility or action. Any dispute regarding an invoice, must be received by Entara accounts and/or management, within 30 days of the invoice date and only the amount in dispute may be deducted from the invoice and payment due, which must be made within the specified time limit.

DEFAULT

- Default of undisputed payment may result in the guests being refused admittance to the camp/lodge until payment is made. Rates quoted are subjected to the schedule of payments being maintained.
- If delays occur the terms are subject to change and may lead to the withdrawal of credit.
